2021-2022 School Year

Dear Families:

We are working toward reducing the number of hard copies of the R&R Handbook Concerning Student Conduct, for the upcoming school year. In the past, we made sure all students and staff members had a hard copy of the handbook. The cost of printing, paper, and labor has increased significantly; therefore, we are asking you to work with us by downloading and reviewing the R&R Handbook online via the link below.

The handbook is always available in its entirety online. The following are steps to navigate to the on-line version:

1. Go to our main website www.nsd.org
2. Click on Resources
3. Go to Reference
4. Click on Student Rights and Responsibilities

It can also be found at the following link: <https://www.nsd.org/resources/reference/rights-responsibilities>

This booklet contains information regarding:

- Student Attendance (page #10)
- School Dress Code (page #10)
- Bus Rules (page #11)
- Technology- Responsible Use Procedures (page #12)
- Due Process for Students with a 504 Plan or IEP (page #34)
- Discipline Action Levels (page #35-41)

Several families still prefer the hard copy, which will be available either at your school or the Student Services office in the Administrative Center. Please remember that these will not be accessible until buildings reopen.

If you have any questions or need additional assistance, please feel free to contact Wen Hay in Student Services at 425-408-7725 or whay@nsd.org.

Your electronic signature through ParentVue indicates that you have read (or someone read it to you) and understand this handbook. As parent/guardian, your acknowledgement of the Rights and Responsibilities Handbook is for each of your students within the Northshore School District.
