

Monique Peckham - Counselor

I am thrilled to join the Audubon Family this year and serve in the important role of school counselor. I have worked in the district the last four years as an Instructional Assistant and am moving into the role of School Counselor for the 2021-2022 school year.

I value the connections I make with students and their families and the important difference I can make in the lives of others.

Please do not hesitate to contact me.

Counselors are essential to the school by...

- Helping create a safe school environment where students can learn and feel comfortable
- Assisting students in learning about feelings and emotions
- Educating students on effective behavioral regulation
- Facilitating friendship and interpersonal skills
- Coordinating referrals to outside resources

In a world where you
can be anything...
be kind.
