High School Program

SMA Athletics has a strong history of developing student-athletes who are grounded in the Loretto School Values of faith, community, justice, and respect. We foster a culture of acceptance, self-advocacy, and healthy competition. Student-athletes experience personal growth as they develop leadership and collaborative skills. Our student-athletes are empowered, successful young women who significantly contribute to our community's overall life.

Each student is required to either register for an Independent Study (IS), or compete in an SMA sport each year for a total of two credits at graduation (0.5 per year).

<p>3 out of 4 students participate in Wildcats sports</p>	<p>Freshman Spirit Pack with backpack, pants, and pullover/jacket.</p>	<p>Practices 4 - 6 p.m. Monday - Friday. *Swimming before school</p>
