

TASIS Upper School Uniform Requirements

2021 – 22

Our uniform identifies our community as we all work together to live our mission. It supports our focus on learning, develops responsible attitudes towards personal appearance, and provides us with a sense of pride in the wearing of our crest that represents the ideals and aspirations of our School.

The uniform guidelines support parents in partnering with the School to ensure that our students are prepared and ready for the learning opportunities that each day will present. We are grateful for the parental support needed to ensure that our uniform guidelines are adhered to. Any questions concerning dress should be directed to your, or your child's, class advisor in the first instance, otherwise the Dean of Upper School Student Life, Mrs. Elizabeth Burton. Any exchanges/returns for uniform purchases should be left at Security, not at the Upper School office.

All Upper School students, out of respect for themselves and the TASIS England community, are expected to dress according to the uniform guidelines. The uniform must be worn during the academic day, from 8:10 a.m. to 3:20 p.m. Boarding students are to come to breakfast dressed in uniform or ready for their first period class. Hybrid Learners who attend lessons virtually are expected to be in TASIS uniform during class time. This reasonably applies to any part of the body visible on a computer screen.

Students are required to purchase all TASIS-crested clothing/items from the designated TASIS vendor or used uniform sale. Trousers and skirts can be purchased from other vendors, provided that they comply with the length, color, and style guidelines. Skirts can also be purchased from the TASIS uniform vendor.

Clarification of Common Uniform Misinterpretations

While this guide aims for clarity, some students do misinterpret the uniform guidelines. Please see here for common misinterpretations to avoid.

- *Sweater/jumper worn without collared shirt underneath*
A sweater/jumper must be worn with a shirt underneath it. This shirt should be a TASIS-crested polo or dress shirt depending on the season.
- *Skirts too short or rolled*
Skirts should be no shorter than 3 inches above the knee and should not be rolled at the top.
- *Colored or no socks*
Socks should be worn. They should be black, navy, or gray and should be plain in style. Wearing no socks, other colors, or patterns are not in keeping with the uniform guidelines.
- *Non-uniform sweaters/jumpers or hoodies*
TASIS-crested sweaters/jumpers are required. Any other dark sweater/jumper is not in keeping with the TASIS Uniform Guidelines.
- *Shoes with white soles visible from the sides*
These are not part of the TASIS uniform, even if they are leather. Shoes should be in keeping with the [shoe guidelines](#). See the poster for visual examples of acceptable footwear.
