

WELCOME TO ART AT JMI!

GREETINGS FELLOW ARTISTS AND CREATORS-

I am Mr. Mockoviak, and I will be your Art Teacher for this school year. It is wonderful to see all of my returning students and new faces in person. This year our Art Experience will be a bit different, as I will see you for Art in your classrooms. You do not need any special supplies for Art. I will provide the materials for our projects.

It is my goal to show you that you are all artists. This school year, we will explore all different techniques and materials in creating Art- from using pencils and paper to digital art programs, developing realistic drawings to abstract work, and examining classic and contemporary artists and art movements. There are many ways to create and express yourself, and I hope that you find something that speaks to you.

You may contact me at Nicholas.Mockoviak@edison.k12.nj.us

I am looking forward to guiding you on your creative journey here at JMI.
