

WELCOME TO FIFTH GRADE!

WITH MR. HACKWORTH + MS. HUNTER

We hope you and your family had a relaxing and fun-filled summer vacation! This 2020-2021 school year will be filled with successful experiences for all students! Just like last year, our 5th grade will be platooning! This means you will have two teachers every day. Ms. Hunter will be teaching English/Language Arts and Social Studies, and the wonderful Mr. Hackworth will be teaching Math and Science.

In 5th grade, organization is key, as you'll be switching back and forth between classes. A planner is super helpful in keeping yourself on task and handing in your assignments on time! Your teachers are here to help you every step of the way. The first few weeks of school, we will work on building a classroom community to ensure that all students feel safe and comfortable in our classroom.

Students will have an opportunity to take risks, make mistakes, create new friendships, become involved, and learn new things every day in our 5th grade classroom. We look forward to having a wonderful school year and getting to know our new classes! If you have any questions or concerns, please do not hesitate to reach out!

Warm Regards,

Mr. Hackworth & Ms. Hunter
