

August 2021

Dear Fourth Graders and Families,

Welcome to 4th grade! The first day of school is right around the corner, and we are so excited for the year ahead of us! As the new school year begins, we know you might feel a lot of emotions such as excitement, nervousness, happiness or maybe even a little worry. We want to reassure you that this year is going to be a **great year!** We will have fun, get creative, do experiments, make new friends and work together!

Ms. Geletei

I wanted to take this time to introduce myself. This is my 4th year teaching. I graduated from Monmouth University in 2018 with my BA and then again in 2020 with my MA in Educational Literacy. I am so excited to once again be part of the JMI community this year! Some of my favorite things include coffee, going to the beach, watching Netflix and spending time with my 12 year old yorkie, Abby! I cannot wait to meet you all in a few short weeks!

Ms. Gural

I am so excited to start my first year teaching with Ms. Geletei in fourth grade at JMI. I graduated from Rutgers University with my Masters in Elementary Education K-6 and Special Education K-12. To get to know me a little better, here are some fun facts: **1.** I love green tea and I love lobster rolls **2.** I have a 14 year old dog, Chuck, and I just adopted an 11 week old puppy, Arlo and **3.** I enjoy going snowboarding in the Winter. I am excited to meet everyone and I know we are going to have an amazing year!

Being in fourth grade comes with a big responsibility, but we know you can handle it! Your **first assignment** (don't worry, it's an easy and fun one!) is to **bring in a family photo to share with the class on our first day of school** to help us get to know each other better! We can't wait to see you all on September 1st!

Sincerely,

Ms. Geletei & Ms.Gural
