8. Come to school **prepared** and **ready** to learn
9. Enjoy learning and life, they are great gifts to us all

Please check our supply list on the James Madison Intermediate website for all the supplies you will need to be prepared for the school year.

Finally and most importantly, start preparing for school now. **Get** into the habit of reading **every** night. **Start** practicing your Math facts, you should know most of the times tables up to 12's. You will need these facts throughout the year.
