

WELCOME TO 5th GRADE!

Welcome to the fifth grade! We, Mrs. Nuesa, Mrs. D'Angelo, Mrs. Landrove and Mrs. Neri, are very excited about having you in our classes this year and looking forward to meeting each of you at the start of school, September 1, 2021.

In order to build our classroom community, our first days of school will begin with activities to learn about each other by sharing our interests, hobbies, families, etc. Additionally, we will go over routines and expectations during this last year of elementary school.

This year, as a fifth grader, you will practice rotating between two different classes: Science and Math class with Mrs. Nuesa and Mrs. D'Angelo (Room 17) and with Mrs. Landrove and Mrs. Neri's (Room 18) for Language Arts class. As a student, you will be expected to be responsible for your belongings when switching from one classroom to another, along with keeping track of assignments from both classes.

Our goal is to teach our students to be independent, kind and responsible learners, as well as prepare students for the next stages in their lives. We are firm believers in creating a comfortable learning environment in which students understand that they have a huge impact on our classroom atmosphere!

It is important to maintain a year of open communication with parents. Should you would like to contact us, please do not hesitate to email all four teachers on the same correspondance at:

A few extras:

- Lunch is scheduled later in the day. Please have your child bring in a daily healthy snack and water.
- We have created a classroom supply list for our students so that you could take advantage of Summer sales. School supplies are expected to be brought in on the first day of school.
