He is in the hallways with our students, getting to know them, keeping them moving and making sure masks are on! He is so enthusiastic it is contagious. Being a former Raider, he says he feels 'right back at home!'" Thank you Officer Hernandez for making South AWESOME!

SM South Parent Pick-Up / Drop-Off Diagram

New parents! Please note the proper traffic pattern for arrival and departure as noted below. Parents should use the west drive to enter/exit the property. Right turn only when exiting onto 107th is crucial to keep the traffic flow moving. The east drive is strictly for busses and special education access only. Any parent vehicles entering the bus loop will disrupt the process as well. This is the most-efficient way to expedite the process safely for everyone.

Updates From the Health Office

August 2021

Getting the COVID-19 Vaccine? If you have both doses, please send us a copy so we can add to your Skyward Vaccine list. This could help you with any quarantine situations we may run into.

Did you see your doctor this summer? Did you get an immunization? ANY vaccine you get, send that information into our office. We will update Skyward for you. Anyone turning 16, please remember that you will need your 2nd Meningitis Vaccine. This is a state requirement for you to attend school. Send to soyork@smsd.org

Students~~ Do you take medications during the day at school? Make sure that you bring them into the nurses office. They need to be in the original bottle with your name and current prescription.

Panorama Social-Emotional Learning Survey:

This school year (2021-2022) the Shawnee Mission School District is once again utilizing the Panorama Social-Emotional Learning survey to assess student's perseverance, grit, determination, school culture and student-teacher relationships. The Panorama Social-Emotional survey takes approximately 30 to 45 minutes to complete and will be administered once each semester. The first survey window is scheduled for September 13 through September 24, 2021.

Parents/Guardians would have opted their student(s) in or out of the survey during the 21-22 registration process. Survey data will be reviewed at the district and classroom level to determine areas of strength, as well as areas where more instruction and/or support is needed. Once survey results are returned, parents/guardians are welcome to see and discuss the results with their students' teachers, social workers, and counselors. Sample survey questions can be found [here](#) and [here](#).

We encourage you to visit the [Kansas State Department of Education \(KSDE\) website](#) to learn more about how Social Emotional Learning benefits your child and their environment. All data is maintained by SMSD and will remain confidential. Please visit [this site](#) for more information about the Panorama SEL survey.
