*The following pacing guide was prepared to assist all stakeholders in understanding exactly what our teaching staff is going to review with students during 6th Grade Health. Each disciplinary concept has core ideas, essential questions, performance expectations, concepts and skills which provide an overview of the content matter. The instructional actions are some examples of how the teaching staff will implement instruction and assessment. **Modifications will be made to accommodate IEP mandates for classified students.** Our staff is continuously analyzing best practices, strategies and resources to enhance educational outcomes and learning experiences by reflecting on each quarter, unit of study, and lesson.*
