

Presentation College Moodle Mobile Information

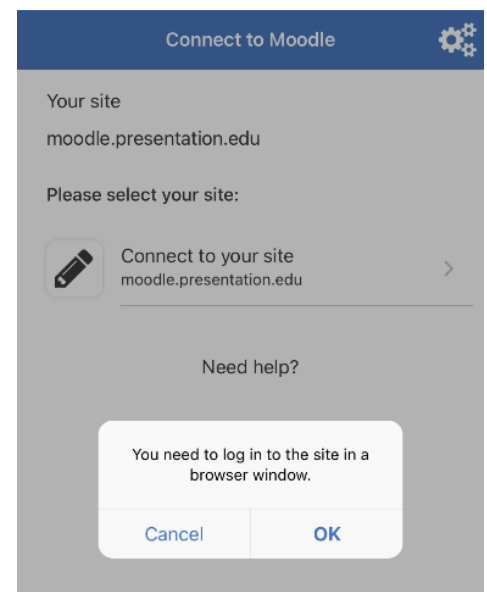

1. Download “Open LMS App” from any app store.

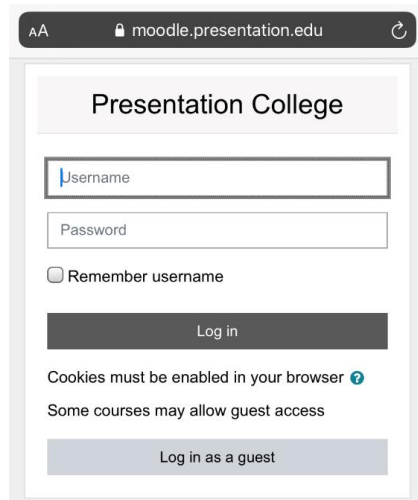

2. Determine whether you want to allow the app to send notifications. This may be helpful to allow and we would recommend selecting “allow”.

3. You need to connect to the unique PC Moodle site.
4. Type *moodle.presentation.edu* in the Your Site.
5. Then click “ok”.

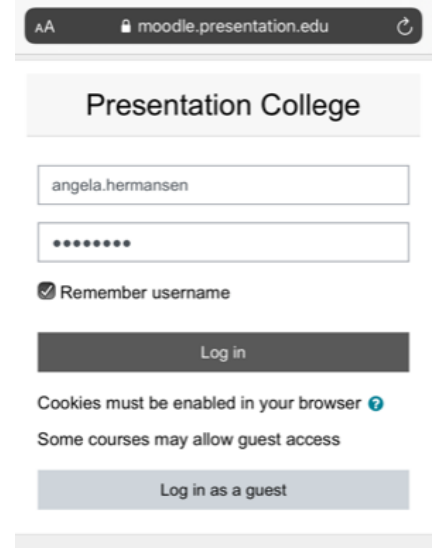

6. You will be directed to the PC Moodle login screen.

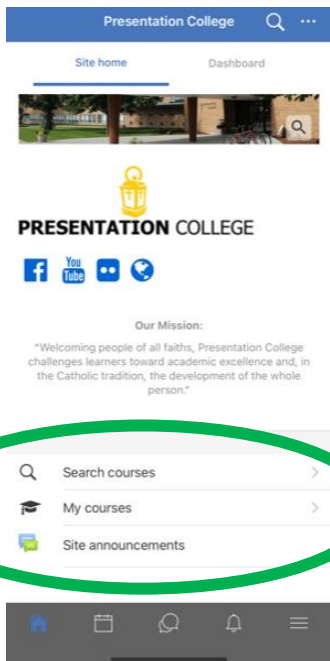

7. Enter PC User Name and Password.

Username: firstname.lastname
(do not put @presentation.edu)

Password: same password as your email

8. Once you have successfully logged in, you should be able to enter the Open LMS app and see “Presentation College” at the top of the screen.

From this area you can search for your courses, or click on my courses and see the current list of enrolled courses.

Is this your first time here?

Faculty and Students:

Please be advised that your login is case sensitive. If you are not able to log in, ensure you are entering your credentials in correctly.
