TITLE I FAMILY ENGAGEMENT POLICY
A. X. BENAVIDES ELEMENTARY
2021-2022**

I. STATEMENT OF PURPOSE

A.X. Benavides is committed to providing quality education to every student in the district. Partnerships with parents and the community are essential to this goal as neither home nor school can achieve this goal independently. Everyone gains if school and home work together to promote high student achievement. Parents play an important role as children's first teacher and their support is critical to their children's success. A.X. Benavides intends to include parents in all aspects of the district's Title I programs to create a school-home partnership that will promote student success.

Grade level goals for all children in A.X. Benavides will be distributed to parents with the expectation that all students will work toward these goals. A.X. Benavides recognizes that some students may need the extra assistance of Title I programs to reach these goals and is committed to providing that support.

IV. SCHOOL-PARENT COMPACT

According to Title I regulations, A.X. Benavides must share responsibility with parents for high student achievement by jointly developing a school-parent-student compact. These compacts must outline the responsibilities of parents, staff, and students for promoting high student performance. Parents on A.X. Benavides Advisory Committee will be involved in designing and reviewing the compact. Students' responsibilities may vary by grade level.

All parents will receive the compact from their child's school with a checklist of the responsibilities that teachers, parents, and students have for helping students achieve their goals.

Parents are urged to discuss the compact with their children before they and their children sign the document.

V. TYPES OF Family Engagement

A.X. Benavides will provide opportunities for parent engagement to become involved in their children's education. A.X. Benavides values both the at-home contributions of parents and those that take place at the school or in the community. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of Family Engagements are needed in school-home-community partnership to help all children succeed. In alignment with BISD's philosophy and mission, the A.X. Benavides Campus Improvement Plan (CIP) includes a family engagement component. All parent and community volunteers must comply with the district policy regarding State of Texas background checks.

Parents may also call the Parental Involvement Dept. to express an interest in a particular workshop topic or to make recommendations about the program.

Notices sent home should be in both English and Spanish. Parents are encouraged to take the initiative in calling their child's teacher or campus administrator when they have a concern. Staff should receive training on techniques to improve home-school communication. Parents may participate in this training.
