● I have read the above information.

Responses in this survey are NOT binding. If we offer this programming at the elementary level, a separate registration process will be required.

● I have read the above information.

My current plan for this child is:

65 responses

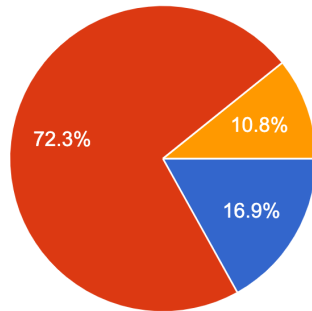

● Haverford Online - ASYNCHRONOUS: Asynchronous virtual learning through Pearson with a Haverford teacher assigned to monitor progress and maintain regular contact

● Homeschool or other non-district school

If Haverford Online Partially Synchronous programming were available, I would choose the following for my child.

65 responses

- Haverford Online - ASYNCHRONOUS: Asynchronous virtual learning through Pearson with a Haverford teacher assigned to monitor progress and maintain regular contact
- Haverford Online - PARTIALLY SYNCHRONOUS- If Available, Partially synchronous virtual learning for elementary students
- Homeschool or non-district school
