

### **Tanguy Serra P '23**

Tanguy Serra is the President and Chief Investment Officer at Loanpal. He oversees Loanpal's overall financial activities, including capital markets, financial planning, and strategic investor partnerships. Tanguy also leads technology and innovation, helping establish Loanpal as the leading point-of-sale platform for solar and other sustainable home solutions in the United States. In addition, Tanguy is the Co-Founder and Chief Investment Officer at GoodFinch, an ESG investment management platform uniquely focused on home-efficiency fixed income securities that benefit the planet while delivering high-performing assets to investors. Tanguy has extensive experience across capital markets, clean energy, and financial technology. He previously worked in investment banking at Merrill Lynch and Morgan Stanley in London. He served nearly a decade as Vice President of the private equity group at TPG Capital in London, Singapore, Hong Kong, and San Francisco -- establishing a successful track record of delivering growth through market cycles and reviewing hundreds of global investments across all sectors. Tanguy is a relentless problem-solver, avid board game player, and enduring optimist about human innovation. Born and raised in Paris, France, he currently lives in San Francisco with his wife and three children. Tanguy is currently upgrading an 1894 Victorian home to be highly energy efficient.
