

ENROLLMENT OF OUT OF STATE STUDENTS

508

I. PURPOSE

Lakes International Language Academy (the School) desires to open its enrollment to students from outside the state of Minnesota.

II. GENERAL STATEMENT OF POLICY

Applications for enrollment under this policy will be approved on an annual basis provided that acceptance of the application will not exceed the capacity of a program, class, or grade level. When a lottery is in effect, out of state applicants will follow the same lottery policy as all other applicants.

III. TUITION

The tuition for out of state students will be, at a minimum, the sum of the state per pupil general education aid (formula allowance), literacy aid allowance, long-term maintenance aid, any additional per pupil aid, and lease aid funding for that year multiplied by the current weighted formula factor for that grade.

Out of state employees of the school wishing to enroll their child at Lakes International Language Academy shall pay 25% of the minimum tuition, calculated using the parameters stated above.
