- **Are face coverings required on campus?**

Yes, Mitchell Community College requires face coverings for all students, faculty, staff and visitors, regardless of vaccination status in indoor spaces on campus property. Consistent and correct mask use is especially important indoors and in crowded settings when physical distancing cannot be maintained.

**This is effective Monday August 2, 2021 and will remain in place until further notice.**

### **Exceptions**

1. Students who cannot wear a face covering due to a medical or behavioral condition will be directed to the 504 and Accessibility Services Coordinator to assist with special accommodations, while employees should contact the Human Resources Director.
2. A person may remove a mask at the request of campus security and/or law enforcement.
3. A person may remove a mask when eating or drinking.

- **Where can I find information on on-campus testing and vaccines?**

Visit [mitchellcc.edu/COVID-19](http://mitchellcc.edu/COVID-19) for links to the latest information.

- **Where can I receive a vaccine?**

Throughout August, COVID-19 vaccines will be available and administered by StarMed at the Drake Street parking lot at the Workforce Development Building in Statesville. To find dates and times for vaccinations, please click [here](#) or visit <https://www.co.iredell.nc.us/1406/Community-Testing>.

- **I have concerns that I may have been exposed to COVID-19 and/or I have symptoms. What should I do?**

If you think you have been exposed to COVID-19 regardless of if you are feeling symptoms, please follow guidance from medical professionals on if you should quarantine. Because guidance is changing as new information becomes available, please refer to the [CDC's updated quarantine and isolation information linked here](#).

If you feel unwell and/or are [exhibiting symptoms](#) of COVID-19 (positive test, no test, or awaiting results), please stay home and contact your chosen medical care professional for further instructions. It is also recommended you self-quarantine, if applicable.

Testing for COVID-19 is widely available in Iredell County, including a StarMed drive-thru testing location hosted in Mitchell's Workforce Development parking lot off of Drake Street. Find community testing dates and testing information [linked here](#). With all StarMed drive-thru testing, please DO NOT enter the buildings at the testing location. Testing will be conducted from your vehicle.

Stay in contact with your instructors (students) or your supervisor (employees) for further instructions.

- **I have been told to self-quarantine in association with COVID-19. How will I account for missed classes?**

If you are ordered by health officials or asked by the College to self-quarantine, you should proactively contact your instructors to request an accommodation.

Instructors have been asked to provide maximum flexibility to any student who has been asked to self-quarantine in order for them to complete course requirements.

- **I have been told to self-quarantine in association with COVID-19. How will I account for missed days of work?**

If you are ordered by health officials or asked by the College to self-quarantine, you should proactively contact your supervisor and Human Resources immediately.
