August, 2021

Dear 5P Students, Parents, and Guardians:

Welcome to Fifth Grade at Belmont Hills Elementary School! My name is Mrs. Pezick, and I will be your teacher. As most of you know, I have spent 11 years teaching 2nd grade here at Belmont Hills. I am excited to continue teaching 5th grade for my 4th year, it has been a wonderful transition. Hopefully, you have been enjoying your time off. I have been having a fabulous summer spending time with my son, Nathan who turned 16 this summer and got his driver’s permit, going to the beach, and playing with my sweet niece, Olivia and nephew, E.J.

We are going to have a terrific year together! Fifth grade is full of new activities, excitement, and privileges. You’ll get to take part in the 5th grade play, compete at Junior Olympics, play in the Turkey Bowl, get a yearbook, and go on the 5th grade class trip. One of the most exciting parts of fifth grade is switching classes for the first time! In Science, you will study Forces and Motion and Rocks and Minerals, and in Social Studies you will learn about Early Colonization and The Revolutionary War. In Language Arts, you will read interesting stories and learn to write opinion pieces. And finally in Math, which is my favorite subject, you will learn many new concepts and strategies.

I’m sure this will be another fantastic year at Belmont Hills. My hope is that you will be challenged and enjoy learning many new concepts and ideas. I am looking forward to a successful school year.

Enjoy the rest of your summer!
See you in September!
Mrs. Pezick
