How to Submit Your Work

Some activities, like quizzes and tests, are computer-scored and completed online in the course window. Other activities have worksheets to print or to download and complete on your device. Ask your teachers how they would like you to submit your work. They may ask you to print and submit in person or you may need to scan or upload your work and submit it online using the Messages feature on My Dashboard.

The Course Window

Most of your time will be spent working in the course window.

The screenshot displays the Apex Learning course window for English 9. The top navigation bar includes 'English 9' and 'Apex Learning'. The main content area is titled 'Unit 1: The Short Story, Part 1' and shows a course outline for 'The Shape of a Story'. The outline includes activities 1.1.1 through 1.1.6, all marked as complete with green checkmarks. A callout box labeled 'Course outline navigation' points to the outline. Below the outline, the '1.1.7 Study: Analyze the Shape of a Story' activity is shown. The activity page includes a text passage about 'The Monkey's Paw' by W. W. Jacobs, an image of a man, and a 'Study guide' icon. A callout box labeled 'Activity resources' points to the 'Study guide' icon. At the bottom of the activity page, there are 'PREVIOUS' and 'NEXT' navigation buttons. A callout box labeled 'Activity page navigation' points to these buttons.
