LIFE THREATENING INJURIES

Call EMS and Parents:

- Respiratory distress (unless diagnosed asthma easily controlled)
- Severe bleeding
- Cardiac emergencies
- Shock
- Severe allergic reactions (anaphylactic shock)
- Loss of consciousness
- Dislocations and Open fractures
- Seizures
- Injuries to face, eyes, or severe injury to mouth
- Heat illness (EHS)

Parents may transfer child:

- Only after being discussed with athletic training staff. There are many circumstances that a parent will want to take their child to avoid ambulance fees. The athletic training staff must speak with these parents to explain risks, complications, and to assure that parent transportation is in the best interest of the injured athlete.
- If a parent denies medical care from the sports medicine staff the situation MUST be documented.

DIRECTIONS FOR EMS TO EACH FIELD And where to have people posted for direction

Baseball/Soccer/Football Complex

-If coming from Dale Mabry/Veterans enter first school entrance on left. If coming from US 41/I-75 enter second school entrance on right side. Drive straight and have EMS enter by football and soccer equipment shed on the left and access the field from that gate.

*POST

Have security posted at the entrance of the school and by the equipment shed.

Gymnasium/Weight Room

-If coming from Dale Mabry/Veterans enter first school entrance on left. If coming from US 41/I-75 enter second school entrance on right side. Drive straight and have EMS drive past the school and around the loop. Have them park in front of the gym

where they can enter through the weight room entrance on the right or enter the gym by going the main entrance and lobby.

***POST**

Have security posted at the entrance of the school, and right by the split to direct EMS around the loop.

Softball Field/South Beach (Practice Field)/ Track & CC

-If coming from Dale Mabry/Veterans enter first school entrance on left. If coming from US 41/I-75 enter second school entrance on right side. Drive straight and have EMS stay to the left when road splits. Make a left down the paved roadway just past the concession stand. Drive straight until EMS goes through gate onto South Beach.

***POST**

Have security posted at the entrance of the school, by the split to direct EMS the correct way, and by paved roadway by the concession stand.

All people posted should be in visual contact with the person posted before and after. (Security has walkie-talkies to communicate effectively with each other)
