

Hanford Elementary School District

2020-2021 Educational Protection Account (EPA) Spending Summary

Proposition 30, The School and Local Public Safety Protection Act of 2012, approved on November 6, 2012 and Proposition 55 approved on November 8, 2016, temporarily increases the state's sales tax rate for all taxpayers and the personal income tax rates for upper-income taxpayers. The new revenues generated from the propositions are deposited into a newly created state account called the Education Protection Account (EPA). School districts, county offices of education, and charter schools will receive funds from the EPA based on its proportionate share of the statewide attendance related state revenue amounts. A corresponding reduction is made to entity's attendance related state funding. Funding is distributed quarterly in the 2020-2021 fiscal year and provides each entity the discretionary use of funds provided the spending plan is approved by the governing board during a public meeting. The sole restriction is that funds are not used for the salaries and benefits of administrators nor any administrative costs.

The attached exhibits summarize Hanford Elementary School District's receipts and expenditures for the 2020-2021 fiscal year.
