Les Elfes International
Camp looks forward to welcoming your school group in the Swiss Alps for unforgettable ski & field trips!

The impact on wellbeing and mental health in 2021 - reflections on the past year

With the back-to-school season upon us, it's important we set solid foundations for learning, wellness, and lifelong success. Edmentum can support by providing the world's first and only fully online K-12, CASEL approved, social-emotional learning and wellbeing platform supports the topics delivered within the Moral Education Framework. Read our blog for SEL tips on how to re-engage students for learning in the new school year.

Texthelp OrbitDoc is a fantastic new tool for making PDF files accessible and actionable. It brings all the best accessibility features of Read&Write to PDFs. And also the ability to add annotations, voice comments and more to take PDFs to the next level. Perfect for completing PDF worksheets online! To try it for yourself email OrbitDoc to international@texthelp.com

**ABEKING PAGET
& WILLIAMSON**

YOUR PARTNER IN PROPERTY

Join this free workshop to hear the latest in web design, marketing strategy, community engagement, and parent communications.

We have over 800 clients in the education sector in Asia we help them purchase UK property as a tool to build income now, or as a pension income for the future. We can help with anything relating to UK property from mortgages, to tax and building or starting a portfolio for example with a focus on education and research. Showing you how you can do it for yourself! Check out our YouTube for content.

**Search
ASSOCIATES**

We can help you find diverse and fantastic teachers. Search Associates has over 30 years' successful experience of working with schools across the world. Alison and Bill Turner are ex-international school Principals so know well how to support you.

m2r
education

isams
By IRIS

iSAMS is running a free webinar on cybersecurity featuring keynote speaker Joe Tidy – the BBC's first ever cybersecurity journalist. The webinar will cover common cyber scams and provide real-life examples of schools that have been impacted, plus Joe will offer insights into how schools can mitigate security threats. Register at: isams.com/events/cybersecurity-webinar

Engage features unique customisable workflows and forms, tracked communications, school-specific terminology and multi-language capability, all in a single database solution. If you are interested in a system review or informal discussion about our services and software, let us share with you how we can help. Email info@engagesmis.com

Our journey of discovery into the changes to the new EYFS Framework has encountered more than a few twists and turns.
