The Suffield 350th Anniversary Barn Quilt Trail

What’s A Barn Quilt?
Barn quilts are colorful quilt patterns painted on wood panels. They may be based on a traditional quilt pattern or something more modern.

and a Barn Quilt Trail...
A Barn Quilt “Trail” is a series of barn quilts displayed in a community, with directions to help people find them!

The Suffield/West Suffield Barn Quilt Trail is made up of 38 works of art by our friends and neighbors. Christine MacClintic, who has experience with public art projects, led our barn project with support from local artist Laurie Tavino.

Special thanks to the Town of Suffield Highway Department for working overtime to get the last 13 quilts hung high up on barns before May 15.
