Covid-19 exposure, SHS Football Team and SHS Football Cheerleaders

Dear Saegertown Football and Cheer Families,

All football coaching staff, players and cheerleaders who attended the game on Friday, August 27, 2021 are considered close contacts to a positive COVID-19 case.

Symptoms of COVID-19 may include fever or chills, cough, sore throat, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, or new loss of taste or smell. The PA Department of Health has established contact tracing protocols for all close contacts. We strongly recommend that parents contact health care professionals if demonstrating any of the signs or symptoms of COVID-19.

Depending on vaccination status all exposed individuals **must** do one of the following:

1. If vaccinated (either a. or b.) (individual can attend school)
 - a. Obtain a laboratory test from a healthcare provider between 8/31 and 9/3 AND wear a mask indoors until negative test results are received
 - b. Wear a mask indoors until September 12, 2021

2. If unvaccinated
 - a. Quarantine until September 12, 2021
 - b. Individual cannot attend school
 - c. Individual cannot test out of quarantine

If contacted by the PA Department of Health please follow their guidance.

Lastly, I regret to inform our Saegertown community that the Friday, September 3, 2021 home opener is cancelled. We will notify you if we are able to reschedule. Our next home football game is September 24, 2021.

Please contact me with additional questions.

Sincerely,

Mr. Thomas Baker, Principal
