

Appendix H Alternative to Art Course

Students are required to earn two (2) art credits. One of the two (2) arts credits may be replaced with a personalized pathway requirement that prepares the student to meet specific post-secondary career or educational goals.

Appendix H: Supplement MY PERSONALIZED PATHWAY REQUIREMENT WORKSHEET

There is a total of 7 courses outside of the required core 17 of the 24 credits that students can use in planning their Personalized Pathway.

A Personalize Pathway is a sequence of courses identified in the student’s High School and Beyond Plan that prepares the student to meet graduation requirements and specific post-high school career or educational goals. It is created in collaboration between the student, parent/guardian of the student, and school counselor, advisor, or teacher.

Two (2) art courses are required, unless one of these is replaced by a student’s “Personalized Pathway” course in their 4-year course plan. These courses along with 4 electives and 17 core courses complete the 24 credits needed for graduation.

To be completed by student:

1. In order to align the Personalized Pathway with my career interests and educational goals, instead of taking one of the art courses, I plan to take:

2. How does my career or educational goals connect with the course I am taking or plan to take?

3. How does the course I am taking or plan to take connect with my career pathway or college major?

4. What are the steps I need to take to reach my postsecondary plan successfully?

5. Who will I work with about my goals, plan, course choices; and who will I talk to if I change my mind and need help with a new plan for graduation?
