IB REVISION

PREPARE FOR YOUR FINAL IB EXAMS IN MAY 2022

Easter IB Revision Course will run 3 - 9 April 2022

"The IB Diploma is a challenging experience with classwork, homework, tests, coursework and CAS to balance. During this revision programme, we'll strip things right back with 100% focus on two subjects. Your revision plan will be designed carefully for the May 2022 examinations by our experienced IB teachers, meaning that you can concentrate on what you are studying rather than how."
