Working together equals success!

*The Chicora Elementary School, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.*

This school-parent compact is in effect during the school year 2021-2022.

## **School Responsibilities**

**Chicora Elementary School will:**

**1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:**

Chicora Elementary School will provide a high quality curriculum in a supportive and effective learning environment. Teachers from the regular classroom and the special service teachers have been trained to teach cooperatively to provide instruction to all levels of students. Paraprofessionals are also utilized to enhance individual support.

**2. Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement.**

An annual meeting is held on the night of Open House at the school. Chicora Elementary has an open house for students' families from 5:00-7:00 p.m. on Monday, August 24, 2021. Visitors are informed of the compact, changes and suggestions are welcome.
