## *Safe Return to In-Person Instruction and Continuity of Services Plan*

The Elementary and Secondary School Emergency Relief 3.0 (ESSER 3.0) Fund under the American Rescue Plan (ARP) Act of 2021, Public Law 117-2, enacted on March 11, 2021. ARPA ESSER Funding provides a total of nearly \$122 billion to states and local educational agencies (LEAs) to help safely reopen and sustain the safe operation of schools and address the impact of the coronavirus pandemic on the nation's students. In addition to ARP ESSER Funding, ARP includes \$3 billion for special education, \$850 million for the Outlying Areas, \$2.75 billion to support non-public schools, and additional funding for homeless children and youth, Tribal educational agencies, Native Hawaiians, and Alaska Natives.

LEAs must develop and make publicly available a *Safe Return to In-Person Instruction and Continuity of Services Plan* that meets the following requirements within 30 days of receiving ARP ESSER allocation. If an LEA developed a plan before ARP was enacted that does not address the requirements, the LEA must revise its plan no later than six months after it last reviewed its plan. All plans must be developed with meaningful public consultation with stakeholder groups (i.e.,

families, students, teachers, principals, school and district administrators, school leaders, other educators, school staff, advocacy organizations representing student groups). The consultation process must include an opportunity for input and meaning consideration of that input. ARP ESSER plans to be in an understandable and uniform format; to the extent practicable, written in a language that parents can understand or, if not practicable, orally translated; and upon request by a parent who is an individual with a disability, provided in an alternative format accessible to that parent. All plans must be made publicly available on the LEA's website and published on the Tennessee Department of Education's (department) website within thirty (30) days.

Please note that LEAs need to **update** the Safe Return to In-Person Instruction and Continuity of Services Plan **at least every six months** through September 30, 2023, and must seek public input on the plan and any revisions, and must take such input into account. All revisions must include an explanation and rationale of why the revisions were made.

Questions in this health plan were developed by the US Department of Education.

## Consultation with Stakeholders

**1** Describe how the LEA will, in planning for the use of ARP ESSER funds, engage in meaningful consultation with stakeholders, including, but not limited to:

- i. students;
- ii. families;
- iii. school and district administrators (including special education administrators); and
- iv. teachers, principals, school leaders, other educators, school staff, and their unions.
- v. tribes;
- vi. civil rights organizations (including disability rights organizations); and
- vii. stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children and youth in foster care, migratory students, children who are incarcerated, and other underserved students.

**2** Provide an overview of how the public stakeholder input was considered in the development of the LEA's plan for ARP ESSER funds.

**3** How did the LEA compile feedback during the open comment period for the ARP Plan?

**4** How was the input considered during the open comment period time?

Questions in this health plan were developed by the US Department of Education.

### ***Safe Return to In-Person Instruction***

**Describe to the extent to which the LEA has adopted policies and a description of any such policies on each of the following health and safety strategies:**

- universal and correct wearing of masks;
- physical distancing (e.g., use of cohorts/podding);
- hand washing and respiratory etiquette;
- cleaning and maintaining healthy facilities, including improving ventilation;
- contact tracing in combination with isolation and quarantine;
- diagnostic and screening testing;
- efforts to provide vaccinations to educators, other staff, and students, if eligible; and
- appropriate accommodations for children with disabilities with respect to health and safety policies.

### ***Continuity of Services Plan***

**6** How the LEA will ensure continuity of services including but not limited to services to address the students' academic needs, and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.

Questions in this health plan were developed by the US Department of Education.
