Dear Alto ISD School Family,

After carefully reviewing this morning's attendance reports, Alto ISD has made the decision to close campuses beginning tomorrow, September 2nd. At this time, we are planning for classes to resume on Tuesday, September 7th. Although we made this decision with very heavy hearts, we feel this is the best course of action for our students, staff, and community at this time.

All extracurricular practices, games, and activities will be canceled during this time as well.

All facilities will receive extensive deep cleaning during the closure.

There will be no virtual or remote learning during this time in hopes that all students and staff use the time to rest and get well.

We ask that you continue to check Alto ISD's website and Facebook for updates that may come over the holiday weekend.

Please take this time to help us reduce the spread of Covid-19. We highly recommend the use of face coverings in our community in order to get our schools back up and running. We deeply appreciate the support of our parents, staff, and community members during these very trying times.

Our thoughts and prayers are with all students, staff, and community members currently experiencing Covid-19.

Sincerely,

Kelly West
Superintendent
Alto ISD
