Student Achievement

Santa Teresa's Mega Skills

Our Mega Skill for December was HONESTY. Congratulations to all of our Panther Stars that were honored in Decembers for showing they are honest at school. Our Mega Skill for January is DETERMINATION.

Parent Involvement

Parent/Teacher Conferences

Parent/teacher conferences are just around the corner. Our conferences will take place from **Jan. 22nd – 31st**. **Please note that we will be on an early release (1:45) for all students during this time.** Our teachers will be meeting with the parents of those students that are below or approaching standard based on our most recent iReady assessments as well as the results of last year's Smarter Balanced assessments. Parents will also receive our first official report card of the year. These conferences are an excellent opportunity for parents and teachers to collaborate on ways to support the academic growth of our students.
