

MESSAGE FROM THE BOARD

Dear Santa Teresa Families,

Santa Teresa Home and School Association (STHSA) would like to warmly welcome you and your family to our school community and the 2020-2021 school year. We have put together a small packet of information to help you find your way around. We've included information about special events and our all-important fundraisers. We hope you find this information helpful.

Here at Santa Teresa we have a very fun and active school community with many ways to get involved. We have an amazing staff and a very dedicated group of parent volunteers that help make Santa Teresa Elementary a wonderful place to learn and grow. Everyone is encouraged to get involved and participate in our awesome school community. We are looking forward to seeing your families around the campus and at our many community and FUNdraising events.

Although we may be physically distant, we are a community who comes together to support and celebrate each other. Welcome to Panther Family.
