HR - Homeroom - includes activities to build relational capacity, specialized supports for each grade level, social-emotional learning, goal setting and career development (students meet in Homerooms) (primarily led by Homeroom teachers, alternately we can stream a presenter in via GMeet/Smartboard)

CA – Counselor Advisory - includes grade level focused activities to support post high school planning and career development (students meet in-person in 15 larger spaces with their house counselor) (alternately, we can have the counselors virtually push into the homerooms to which their students are assigned via GMeet/Smartboard)

SA – Student Assembly - includes activities to build community, provide important information, take advantage of guest speakers (students meet in the PAC) (alternately, we can stream presenter in to homerooms via GMeet/Smartboard)
