Principal's Den

Dear LES families,

The 2021-2022 school year is in full swing! Teachers and students are settling in and we are off to a great start!

Our building renovation is moving right along. The 1st and 4th grade hallway and classrooms are complete, and renovations are underway in the 3rd grade classrooms. 2nd grade classrooms are set to begin their renovations in October.

If you have questions regarding COVID protocols, FSSD health guidelines, and FAQ.s, click on this link: <https://www.fssd.org/about-us/fssd-together-2021> for information. Mask opt out forms can be found here as well under the Temporary Mask Requirement tab. Please submit those forms to the office as soon as possible.

Like last year, I am thankful for your grace and patience as we navigate a complex start to the school year. My staff and I are looking forward to a safe, successful, and productive school year.

Respectfully,

Mrs. Patton

#WeAreLiberty

Grade Level Spotlight

Our grade level spotlight this month focuses on kindergarten! The beginning of kindergarten is a very busy time of learning school routines and procedures, making new friends, and adjusting to school life. All of this new learning can be overwhelming for little bodies. To help students adjust, every kindergarten teacher teaches a SEL (social-emotional learning) lesson each day. These lessons focus on breathing techniques, identifying and understanding feelings, and ways to be a good friend. These strategies will follow your little lion through their time at Liberty and beyond.
