Attendance at rehearsals is expected in order to provide a quality show. Rehearsals will be held after school and on Saturday mornings during September, October, and November. The final dress rehearsal will be Wednesday, November 10th, in the evening, and performances will be Friday - Monday, November 12th-15th. Please list below any activities that will conflict with the rehearsal schedule. We can usually work with prior commitments if we know about them.

Permission to Participate

The child named above has my permission to participate in the school musical at Mueller Park Jr. High. We have read the parent information letter and understand the obligations for attending rehearsal and the fine policy for costumes or props that are not put away properly after rehearsals.
