# DRAMA SCHOLARSHIPS FOR 2022

**Up to eight Art, Drama and Design, Technology and Engineering (DTE) scholarships are offered for award in 2021 to candidates of suitable quality.**

Candidates for Drama scholarships will be invited to Tonbridge in the week beginning 24th January 2022 and are asked to take part in a practical group workshop and perform two contrasting monologues of two to three minutes in length, from published plays. Candidates are advised to choose their monologues carefully so that they demonstrate a range of mature acting skills and know the context of the pieces having read the whole play.

One other theatrical skill such as song, dance, mime or improvisation may also be offered, together with evidence of theatre design or technical expertise but this is not a requirement. Candidates are also encouraged to bring with them a portfolio or scrapbook of their involvement in theatre. The academic assessment will include an interview with the Head of Drama about the candidate's interest and involvement in drama, and a written paper which focuses on a production he has studied, been involved in, or seen in performance.

## **Remission Amount**

Drama scholars will be awarded a prize of £2,000, which will be deducted from the first term's fees. The award of a scholarship may additionally provide fee remission of any amount up to the full school fee, if assessment of the parents' means indicates a need.

## **Age Limit**

Candidates for Drama Awards must be under 14.0 on 1st September 2022.

## **Multiple Awards**

A Drama Award may be held in conjunction with any other scholarship awards at Tonbridge.
