New Business

Mrs. Murray provided the committee with an update on the reopening of school related to transportation. The District provided a monitor on each of the 9 buses for the first week of school. The monitors helped students to board the bus from back to front and to disembark front to back. Students were provided reminders of bus safety rules and the importance of keeping their masks on, sitting forward, and keeping hands to themselves. Monitors presented bus drivers with recommended seating assignments.

The committee discussed the new arrival and dismissal protocols and Principal Reed-Swale reported that all in all, new routines were working out well.

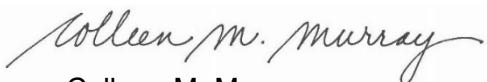

Mrs. Cohen, B&B Transportation Coordinator, gave the committee an update on bus inquiries and appeals. At this time, there are no appeals.
