*Head Rob Morse Pupils 202 day
and boarding: 178 boys, 24 girls in
pre-prep Ages 3–13 Term Fees*
Day: £7,140; boarding: £9,290
Is this the smartest prep school in
the north? One researcher certainly
thought so – she was blown away
by the dynamic combination of
tradition and forward-thinking
teaching; top-notch facilities and
'unbelievably well-behaved' boys
enjoying everything the school
has to offer. Parents love it just as
much, praising the balanced educa-
tion on offer. Head Rob Morse
(‘energetic and visionary’) knows
what ‘makes boys tick’ and is
hugely present in day-to-day life,
from greeting parents in the morn-
ing to refereeing matches. The
school is known for holding its
own against southern equivalents,
and this is apparent in the senior
school destinations, which include
Radley, Marlborough and Harrow.
