

Parking

There is designated parking for handicapped, visitors, staff and administration at the Killingworth Elementary School. Emergency vehicles must have immediate access to all areas of the school complex. For this reason, no parking zones are designated next to the yellow curbs and in areas marked "Fire Lanes". No vehicles are to be parked in these areas at any time.

The driveway on the right side of the school is to be used for buses only during arrival and dismissal times. If visitor spaces in the front of the school are not available, please park in the back parking lot. Parking is also available on the upper blacktop playground except between the hours of 10:00 a.m. and 2:00 p.m. At all times, the safety of our children comes first.

Student Drop-Off and Pick-Up Procedure

Drop-off at the beginning of the day (8:25-8:45):

Please drive into the fenced blacktop playground parking area on the south side of the school and have the students enter through the door on the side of the school. There will be a staff member out to assist. Please have students exit the car on the passenger side of the vehicle only when your car is in the front of the line. If you will be walking your child to the door, please park your car in a parking spot and proceed to the front door in front of the school.

Drop-off late (after 8:45):

Please have the children enter through the front door and report to the office to get a class entry pass to bring to class.

Pick-up at the end of the day:

After parking in the front parking lot, the blacktop playground area, or the back parking lot, please enter the courtyard (access from the front of the school). Beginning at 3:25, parents will check-in with on duty staff outside in the courtyard. There will be two stations for check in (A-K, and L-Z). ID will be required. Upon successful check-in, each individual child will be called on the radio and dismissed through the doors at the bottom of the ramp into the courtyard.
