Superintendent's Message

As a district, we are determined to lead our children in a way that celebrates our collective resilience, and embraces the unity we have experienced, as we continue to navigate these challenges together. Together we are stronger, and together we can rise above.

Superintendent Recognition

At the July Board of Education meeting, Mr. Dub Potts presented a Superintendent's Plaque with all the past superintendents' names, and the years they served as superintendent or interim superintendent. The past superintendents who had representation at the meeting were Mr. James Everidge, Dr. Robert Landry, Mr. Dub Potts, and Dr. Darrin Hartness. There will be two plaques that will be displayed at Central Davie Education Center in the boardroom and at Davie County Schools Central Office.
