

Application for The Nueva School My Page How-To Guide

The student My Page is an open-ended opportunity to creatively express whatever best captures your passions, and will tell us more about you. Using any medium that you choose, you may write a poem, sketch a picture, make a collage, include a scene from a play, make a video, solve an equation, design a science experiment, etc. This is your opportunity to be creative and unique; there are no right answers, so have fun! Then, in a few sentences, tell us why you chose your My Page submission. Your project should be a new creation for your Nueva application.

Frequently Asked Questions

Are there any limitations or restrictions for my My Page submission? No. Your My Page submission can (and should) reflect you and whatever it is that you are passionate about. Whether that is a video, a painting, an experiment, a song you've written and recorded...send it in!

What if my My Page doesn't allow for, or have space for me to write my name and applying grade on it? That's ok! If you are uploading an electronic file, song, video, photo, etc., it would be best to save it with your name and applying grade included in the title (for example: John Doe My Page video.Grade7. jpg). If you are uploading a Word document, Excel spreadsheet, etc., please be sure to put your name and applying grade at the top.

If you are submitting a physical object to the Admissions Office, please double check that your name and applying grade is on it and in a place that is easy to see.

What if my My Page can't be uploaded to Ravenna? If your My Page submission is too large to upload to Ravenna, there are other ways to get it to us:

It is a physical object:

Not a problem. Simply snap a picture of your submission, and upload it to Ravenna so we can have it on file. We are most interested in the process and what inspired you to choose your creation. Please **do not** mail us your final product. Pictures and descriptions uploaded through Ravenna are sufficient.

My Page is a video:

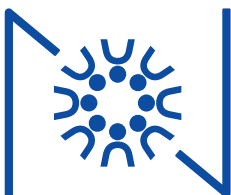

If your My Page is a video, do not upload it to Ravenna, as the system does not support medium to large sized files. Please upload your content to YouTube, Google Drive, Vimeo, etc. Then, copy and paste the link into a document and upload the document to Ravenna.

It consists of multiple documents, and Ravenna only allows me to upload once:

We have a solution. If you need to upload multiple documents, try converting them into PDFs (if they aren't already) and combining them into one cohesive document. That way, you are able to submit everything you need in the one-time upload. Simple instructions for how to do this can be found on Google.

If you are still having trouble uploading, please feel free to call or email our office and we are happy to help determine the best plan of action for getting your My Page submitted.

Please note: All application materials must be submitted on the application deadline by 5:00 pm.

If you have any questions, please do not hesitate to contact the Nueva Admissions Office at 650-350-4528 or by email at admissions@nuevaschool.org.
