**6th Grade General Music
Handbook 2021-2022**

Dear Southwestern General Music Students and Parents,

Welcome to General Music Class at Southwestern. Music is all around us and we experience it in all facets of our life. It is vitally important that as a member of society we can critically listen to and have a basic understanding of music.

WHAT IS GENERAL MUSIC?

General Music is a music enrichment course. In this course, students will receive exposure to many different types of music and how music relates to culture and history. Some of the music we will study will be quite familiar, and some will not be as familiar.

In this course, success will come from listening with an open mind and being willing to learn from new experiences. Everybody is entitled to have favorites in their life. In music, we all have our own favorites and preferences. Therefore, we should feel welcome to share our opinions, yet respect the opinions of others.

When you come to class every day, you are expected to understand and respect the rules and procedures of the music department. Music is a discipline and every student of music must understand and respect the amount of discipline that goes into music.

WHAT MATERIALS DO I NEED FOR CLASS?

You will need the following **required** class materials for General Music.

- School Issued Chromebook

HOW AM I GRADED IN CLASS?

The Music Grade is made up of the following components:

- CLASS NOTEBOOK – 20%
- TESTS – 30%
- CLASSWORK AND HOMEWORK– 30%
- PARTICIPATION GRADE -20%

CLASS NOTEBOOK: To ensure that everyone in the class is developing their knowledge and appreciation of music, **everyone** will need to maintain a class notebook for class. **This notebook MUST be a one inch three-ring binder with college-ruled paper.** The notebook will be divided into five different sections with **tabbed dividers** according to the grading rubric provided in class. Notebook assignments will be assigned in class and will pertain to the material we are covering in class. The teacher will collect class notebooks two times each grading period and grade any non-computer-based class assignments. The notebook grade will make up **20%** of the class grade.

TESTS and QUIZZES: We will be covering six different units of music and there will be a comprehensive test at the conclusion of each unit. Maintaining complete class notes as well as participation in class will help greatly on these tests. Unit tests will make up **30%** of the grade.

CLASSWORK AND HOMEWORK: To help everyone with the material and put it to good practice we will have several individual and group projects. Group projects will be done in class only and there will be strict time limits to each project. Each member of a group will be responsible for their share of the group's grade according to the project rubric. Willingness to get the assignment done and work with others is the key to these projects. Other projects will be for individual students to work on at school or home. The combination of group and individual projects will make up **30%** of the final grade.

CLASS PREPAREDNESS and Participation:

This grade is controlled by many different classroom factors. By participating in class, bringing the required materials each day, and contributing positively to the learning environment; students can easily achieve an extremely high participation grade. Everyone will have the same opportunity to earn extra credit points for outstanding accomplishments in the classroom. (Sometimes over 100 %)

Please keep this for reference throughout the school year. I look forward to having a great year and having many wonderful musical experiences with our Southwestern students.
