

WST

Westlake Spirit Team

PART OF THE INCLUSIVE GENERATION SPIRIT PROGRAM

LOVE TO DANCE? ★ LOVE TO BE A CHAP? ★ LOVE TO CHEER?

Westlake Spirit Team is a school-based spirit team that brings together students with and without disabilities in equal measure and on equal grounds. No experience on a traditional cheer/dance/spirit team? No problem. In truly spirited schools, all students participate in raising school spirit and all students feel supported by the school community.
