COLLEGE PREP HIGH SCHOOL

*Caritate et Veritate*

## *100 Years of Educating Young Women*

# Who We Are

Resurrection College Prep High School is the largest Catholic college preparatory high school for young women on the north side of Chicago. Resurrection, founded in 1922 by the Sisters of the Resurrection, is a Catholic Lasallian school sponsored by the Christian Brothers of the Midwest. With an enrollment of approximately 500 students, Resurrection serves a diverse student population from across the city and suburbs, representing over 100 private and public grammar schools. Resurrection has a long history of encouraging young women to discover their true potential and prepare them for success in college, career, and life.

## → Where We Are

The campus is located off the Harlem Avenue exit from the I-90/Kennedy Expressway in Chicago and is easily accessible from the suburbs. The school is less than a mile from the CTA Harlem (O'Hare Branch) Blue Line and immediately on the 88 Higgins bus route. Chicago Transit Authority (CTA) Ventra student cards are available to purchase. On campus parking permits are available for students.

## OUR MISSION

Resurrection College Prep High School is a Catholic community in the Lasallian tradition, dedicated to the education of young women, and to the development of their God-given talents. Convinced of God's unconditional love and nourished by the Risen Lord Jesus Christ, we are committed to the spiritual, ethical, intellectual, physical and social growth of our students.

## OUR HISTORY

The Sisters of the Resurrection, a religious order founded in Rome by Blessed Celine Borzecka and her daughter Mother Hedwig Borzecka in 1891, began its educational ministry in the United States in 1900. Sister Anne Strzelecka, C.R. opened Resurrection College Prep High School in 1922. Central to the Sisters' mission is the transformation of society by uplifting women through education.

Since our founding, Resurrection has enabled over 15,000 alumnae to reach their full potential and become leaders of Charity and Truth. Today, Resurrection incorporates cutting-edge academic programs and activities to prepare young women for success in college, career, and life.

## LASALLIAN EDUCATION

The Lasallian Mission provides transformative experiences that are innovative and holistic. Lasallian education enriches the whole person through teaching, technology and the development of the student's cultural, intellectual, physical, social and spiritual well-being. Lasallian education centers on Catholic values and personal relationships, emphasizing academic excellence, faith formation, inclusion, respect for the individual, service and social justice.

Lasallian education is rooted in the mission of Saint John Baptist de La Salle, patron saint of teachers, who founded the Institute of the Brothers of the Christian Schools (De La Salle Christian Brothers) more than 300 years ago.

De La Salle transformed education by forming a community of educators with whom he developed a spirituality of teaching and learning, to give a human and Christian education to young people, especially the poor. Today, the De La Salle Christian Brothers and Lasallian Partners continue to respond to students through advancements in teaching, technology and scholarship. In Lasallian communities, educators touch hearts, stimulate minds and cultivate leadership to prepare students for life, work and service to society and the Church.

# Academic Overview

All students are challenged and supported to reach their full potential of learning. This ensures an academic program that prepares them for the future.

## MOTHER CELINE SCHOLARS PROGRAM

High-achieving students have the opportunity to participate in the Mother Celine Scholars Program, named after the foundress of the Congregation of the Sisters of the Resurrection and champion of education for women. Students in the program follow an honors and AP course of study. The school's most academically talented and motivated students are provided unique experiences in combination with cultural enrichment and service opportunities. In addition to the variety of advanced course options, students in the Mother Celine Scholars Program are offered multi-disciplinary opportunities that focus on research, creative problem-solving, collaborative relationships, values-based leadership, ethical decision making and social justice. Entrance into the Scholars Program is based on entrance exam scores.

## RANKIN ACADEMIC SUPPORT PROGRAM

The Rankin Academic Support Program is a college preparatory course of studies for students who benefit from support with Resurrection's rigorous college preparatory curriculum.

The program, named in honor of former Resurrection educator Sr. Joyce Rankin, C.R., provides one-on-one tutoring and small classroom instruction so that students can master the same classroom standards as their peers. Students enrolled in the program have a class which offers learning strategies, skills reinforcement and individual assistance from qualified resource teachers who collaborate with students' classroom teachers. This class is built into their schedule as opposed to taking students out of their classes. Students are afforded moderate accommodations/modifications and are taught life-long learning skills which will enable them to set and achieve their academic goals now and in the future. A transitional component is also in place for students who are prepared to move on from supported learning when they are ready. Additional support is available for students with IEP or 504 requirements to ensure their needs are met.

**Resurrection offers the 45-minute seminar to give students flexibility during the school day to do the following:**

- Meet with teachers
- Utilize Think Tank for tutoring
- Make up a test
- Meet with a counselor
- Complete a science lab
- Visit the library
- Participate in AP or ACT/SAT tutorials
- Collaborate on a group project
- Work on homework
- Attend lectures by guest speakers
- Actively learn in the Innovation Lab

Depending on interests, abilities, and goals, a student will be placed within a learning environment that best suits her as an individual to ensure growth in each area of learning. All of our classes are college preparatory, with varying supportive environments of learning.

→ *Advanced Placement*

College-level courses in a variety of subjects; AP exam offered to earn college credit

→ *College Preparatory Honors*

Classes geared toward students with high interest, motivation and ability

→ *College Preparatory*

Classes that challenge the college-bound student

→ *College Preparatory with Support*

Classes that challenge the college-bound student while providing support for critical thinking and skill review

# College Bound

Beginning freshman year, our counselors help students and parents with curriculum choices and college planning. Our college counselor guides every student through the college planning and application process. An annual college fair and informational sessions are held for families about scholarships, financial aid and the college selection process. Resurrection has had a 100% graduation rate for nearly a decade.

→ *Resurrection students are confident, well-rounded and college ready and go on to attend colleges and universities nationwide.*

# Technology

Resurrection encourages students to build, create, and explore in the areas of Science, Technology, Religion, Engineering, the Arts, and Math and break beyond gender stereotypes that limit women's participation in STREAM fields.

## INNOVATION LAB

Resurrection students engage with technology in our makerspace, called the Innovation Lab. This lab promotes active learning while allowing students to develop their creativity and problem solving skills.

## STUDENT-CENTERED LEARNING

Aligned with the mission of Resurrection, the technology program aims to create an environment that develops ethical digital citizenship and cultivates 21st century literacies by seamlessly integrating the effective use of technology into the curriculum. Through skills and knowledge gained, upperclass women have the opportunity to become Tech Leaders, and as a resource to students within the Innovation Lab.

**The Innovation Lab provides space for students to explore and utilize technology as creative participants, with tools including:**

- 3D printing
- App development
- CAD design
- Laser cut machine
- Multimedia creation
- Robotics
- Sound engineering
- Video production
- Virtual reality
- Web design

# STREAM

Introduced in the 2019-20 school year, the Resurrection STREAM Program is a mission-centered approach to teaching science, technology, religion, engineering, art and math. The program is offered to incoming freshmen who express an interest and the academic ability, as demonstrated on the Entrance Exam. The first STREAM cohort will graduate in 2023 with college credits.

## THE STREAM TRACK ALLOWS FOR THE FOLLOWING:

STREAM 1 - Freshman year

STREAM 2 - Sophomore year

STREAM Electives - Junior year

STREAM 3 - Senior year  
(capstone project)

STREAM 1 and 2 are honors level courses

STREAM 3 is designed to be an AP course and has the potential to earn the student college credit.

Students will also participate in the annual STREAM research symposium and out-of-school STREAM experiences.

# Faith & Service

At Resurrection, students discover how theology coursework is integrated into real-world experiences to encourage greater faith and spirituality.

Students are guided in their spiritual development along with their education. To facilitate this journey, Resurrection offers students opportunities to:

- Plan and participate in monthly all-school liturgies and receive sacraments
- Train to become Eucharistic ministers, lectors and altar servers
- Participate in annual class retreats, including the Kairos retreat available to Seniors
- Utilize the campus ministry office, staffed with a campus minister and chaplain
- Join the Campus Ministry Leadership Team, the Anastasias: Women of the Resurrection
- Attend prayer and reflection opportunities throughout the school year
- Attend out-of-state mission trips with other LaSallian schools in our network

→ *The school chapel is open daily for students to use for prayer and reflection as well as adoration, liturgy and De La Salle Week.*

# Practicum Program

Resurrection offers an opportunity to explore various fields, shadow professionals, and test-drive career options. Our location on the northwest side of Chicago provides access to professional mentors and job shadowing placements in the city and suburbs.

The Resurrection Practicum Job Shadowing Program is an educational experience in the field where students are placed with mentors and actively participate in professional work settings. This program provides juniors and seniors with unique, hands-on work experience which enables them to better understand the practical and personal skills required in careers that interest them. The classroom component extends and deepens students' field experiences through personal interest assessments and reflections. Students obtain a better understanding of their own skills and interests as they prepare for college selection and career success.

→ *Our Practicum students enter college with greater focus on their career path, saving time and money as they plan their futures.*

## Placements have included:

Architecture	Hospitality
Athletic Training	Information Technology
Business	Interior Design
Cancer Treatment	Law
Child Care	Law Enforcement
Civil Engineering	Marketing/Public Relations

Dentistry	Ministry
Education	Non-Profit Agencies
Engineering	Occupational Therapy
Emergency Room	Pharmacy
Family Birth	Physical Therapy
Family Practice	Physician's Assistant
Government	Radiology
Graphic Arts	Surgery
	Social Work
	Veterinary Services

# Athletics

Resurrection student-athletes learn to excel physically and academically with integrity, respect, hard work and leadership, while setting personal goals in a supportive team environment.

Resurrection College Prep High School is a proud member of the Girls' Catholic Athletic Conference (GCAC) and the Illinois High School Association (IHSA).

Over half of the student body participates in an athletic sport. With twenty-six teams and twelve sports to choose from, we offer a wide range of options for athletes to test and strengthen their limits.

## ON-SITE FACILITIES

The Resurrection campus includes robust green space in the midst of our Chicago neighborhood. With over 22 acres of land, our campus is filled with room for our sports teams to practice and compete.

- Newly installed seal-flex outdoor running track
- Varsity and Junior Varsity softball fields
- Batting cage
- Lacrosse field
- Soccer field
- Fitness center
- Training and physical therapy center
- Indoor and outdoor concession stands

### FALL SPORTS

Cross Country • Golf  
Swimming • Tennis • Volleyball

### WINTER SPORTS

Basketball • Bowling

### SPRING SPORTS

Lacrosse • Soccer • Softball  
Track & Field • Water Polo

# Fine Arts

At Resurrection, young women are provided opportunities to develop the whole person – spiritual, ethical, intellectual, physical, imagination and curiosity.

## DRAMA

Students develop performance skills and theatrical knowledge through class instruction, activities, and cocurricular school plays. Various courses in acting, stage management, and costume design are available. The Resurrection Theater Department produces two plays annually.

## MUSIC

Notre Dame College Prep and Resurrection College Prep combine to create the ND/RES Music Program consisting of marching, jazz, and concert bands.

## ART

Students gain proficiency in the basics of drawing, color theory, and design through experiences with a wide variety of art media. Course instruction includes 2D, 3D, digital photography, and graphic design. Student artwork is highlighted annually in the art showcase.

**The Resurrection Theater Department produces a fall and spring play annually; all students are welcome to audition or join the crew. Pictured above is our last school musical of *The Little Mermaid*.**

## DANCE

Students learn the history of dance as well as explore and perform various dance styles. Through coursework, students build their comprehensive capabilities and power to communicate with others through the non-verbal medium of dance. Skills learned are highlighted through dance showcase performances. Students can also develop and enrich understanding of dance with participation in the Orchesis Dance Team.

# Clubs & Activities

Co-curriculars provide an important avenue for student growth through academic, performance, service and leadership opportunities. Utilizing our P block schedule, clubs and classes meet within the school day throughout the year giving students who participate in athletics or work after school to be involved in other activities. Other organizations meet either before or after school to provide even more learning experiences.

## ACADEMICS

Future Educators of America • Logical Thinkers • Math Club • Robotics Team • Scrubs Club

## ARTISTIC

Broadcasters Club • Creative Writing/ Writers Circle • DIY Club • Drama Club • Innerview Literary Magazine • Liturgical Choir • Orchesis

# Financial Information

## COST OF A RESURRECTION EDUCATION

Resurrection makes every effort to offer affordable tuition. **Tuition does not cover the full cost of a Resurrection education. The generous support of our alumnae, donors and sponsors allow us to subsidize the actual value of a Resurrection education by approximately \$3,900 per student. 100% of students receive this subsidy** – the difference between tuition and the actual cost of a Resurrection education.

### Tuition

Total Cost to Educate One (1) Student	\$17,025
Subsidy for every RES student	\$3,900
Total Tuition Cost for One (1) Student	\$13,125

### Fees

Registration fee (non-refundable)*	\$245
Books (approx.)	\$400-500
Activity fee	\$100
Chromebook (Freshmen only)	\$450
School uniform, worn all 4 years (approx.)	\$225
Gym uniform (approximately)	\$80
Graduation fee (Seniors only)	\$150
Mandatory fundraising fee (per family)	\$250
Yearbook (optional)	\$55

## SCHOLARSHIP AND TUITION ASSISTANCE OPTIONS

Approximately 35% of Resurrection students receive financial awards in the form of scholarships, work study, and/or tuition assistance.

- **Scholarships** Over 40 merit-based and need-based scholarships are available, covering a wide range of interests and requirements. *To be eligible for The Block Family Foundation Scholarship, awarded to our "Top 10" test scorers, a student must take the Entrance Exam at Resurrection College Prep.*
- **Work Study** Preference is given to freshmen and sophomores to help defray the cost of tuition by providing after school support to various departments.
- **Tuition Assistance** Applications for tuition assistance are reviewed by an independent service. Awards are given in varying amounts based on total need of applicants and funds available.

## TUITION PAYMENT PLANS

A number of tuition payment plans are available. You will be able to select your plan once you create your FACTS tuition payment account.

The application process for tuition assistance and scholarships begins in December of each year when the applications become available. The FACTS application is the application for tuition assistance and must be completed for any need-based scholarship opportunity as well.

Tuition assistance applications are due to the FACTS by March 1, 2022. Tuition assistance notifications will be sent out in early March 2022. Please note, an incoming freshman student's test scores must be on file at Resurrection by January 31, 2022 to be considered for Tuition Assistance.

\*Registration fee includes \$200 non-refundable registration fee and \$45 FACTS enrollment fee.

# Admissions

## SCHEDULE A SHADOW DAY

### Year-round Opportunities

Contact us at [admissions@reshs.org](mailto:admissions@reshs.org) for availability.

## ATTEND AN OPEN HOUSE

Sunday, October 24, 2021

1:00 pm - 3:00 pm

Thursday, November 4, 2021

6:00 pm - 8:00 pm

## TAKE THE ENTRANCE EXAM

Saturday, December 4, 2021

Pre-registration is required at [www.reshs.org](http://www.reshs.org).

## SCHEDULE A PERSONAL TOUR

Tours are available by appointment;

email [admissions@reshs.org](mailto:admissions@reshs.org) to schedule a tour.

Resurrection does not discriminate on the basis of race, color, religion, national and ethnic origin in administration of our educational policies, admission policies, scholarships, financial aid programs, athletic and other school-administered programs. Resurrection College Prep High School abides by all applicable policies of the Archdiocese of Chicago and the IHSA. In doing so, Resurrection College Prep High School does not promise or offer athletic scholarships of any kind. Violations of IHSA policies may result in loss of eligibility for the student, coach and/or school. In recognition of our shared ministry, Resurrection College Prep High School also does not promise, predict or otherwise allude to specific dollar amounts regarding tuition assistance or financial aid before a student takes the entrance exam. Resurrection College Prep High School promotes the best attributes of our own school while respecting the legacy and traditions of other Catholic high schools.
