X indicates company has certified that it meets the conditions established by statute (Article 6228a-5, §§ 4-13, Vernon's Texas Civil Statutes) and rule (34 Texas Administrative Code, Chapter 53) to offer this product type to Texas school district and open-enrollment charter school employees through salary reduction agreements.

403(b) certification means that the company has attested to TRS that it meets certain financial requirements and will offer products to school employees that comply with TRS rules regarding fee+A33s charged. The certification by TRS does not mean that TRS is recommending or endorsing the 403(b) provider.
