Principal's Phoenix Flyers:

Hello RAHS Families and Community –

Welcome back everyone! What a wonderful first two days of school we had - there was much excitement in the air as students returned in person to the building and had a chance to reconnect with friends and staff! Thank you so much to all of our staff, students and parents for making this a fabulous start to the year. We ended the week with a wonderful recognition of our **amazing Mrs. Hiranaka!** Our superintendent, Dr. Enfield, stopped by the school and awarded Mrs. H the coveted **“Ducky” award** for her dedication to our school and our district. Mrs. H truly lives out our promise of knowing every student by name, strength, and need. Thank you Mrs. H for all that you do for our school!

Thank you to our very talented **Associated Student Body (ASB)** crew who got the year started with the annual Kick-Off Assembly! It was a blast – and better yet, a chance to celebrate our **National Solar Car Championship Team** and our **National GAMA Challenge Team Champions**. We are so proud of all of the members and coaches of these two teams who worked so hard for this national recognition. Thank you ASB Exec team **Katie Pacini, Theresa Tran and Smera Venkateswar** for all of your work putting this together.

We also had some very sad news last week with the passing of our friend, benefactor, icon and legend, **Dr. James Raisbeck**. Dr. Raisbeck will be truly missed – his love of our school was so deep and he cared so much about our students and staff and their future in aviation and aerospace. Information will be shared as soon as we know any details regarding a celebration of his life.

For this coming week **only** please remember that both Tuesday and Wednesday are regular 6 period days, while Thursday and Friday will be our block days. And don't forget! This Friday begins the weekly Friday early-release time of 2:00 p.m. All 9th graders will be heading up to Camp Waskowitz on Wednesday for our annual kick-off experience – a time to connect with classmates and participate in some fun teambuilding activities (all social distanced of course!). And finally, please mark your calendars that there is **no school** on Monday, September 13.

Have a wonderful week everyone!
