NAHS CLASS OF 2022 - STEP BY STEP COLLEGE APPLICATION PROCEDURES

The Guidance Department will be sending all transcripts, counselor recommendations and teacher recommendations electronically to colleges using Naviance and Common Application web-based software. To do this, seniors must complete the following steps by the due date indicated.

STEP 1: SEND SAT AND/OR ACT SCORES TO EACH COLLEGE THAT REQUIRES TEST SCORES

- Go to www.collegeboard.org (SATs) and/or www.act.org (ACTs) to send these reports. Guidance cannot send scores. They must be sent through the Collegeboard or ACT websites BEFORE your first deadline. If your college is test-optional you do not need to send scores.
- If your college requires test scores, but you were unable to take the SAT or ACT in the springtime as a junior, you should register for the next available test date through the Collegeboard or ACT websites.

STEP 2: REGISTER FOR COMMON APPLICATION ACCOUNT

All seniors must register for the Common Application by September 30, 2021.

- Go to www.commonapp.org.
- Complete the registration form on-line.
- Select a username and password, write it down, and keep it in a safe place.

STEP 3: ENTER YOUR COLLEGES INTO YOUR COMMON APPLICATION ACCOUNT

 - Your guidance counselor cannot send your documentation electronically if you do not list all of your Common Application schools on your Common Application account.

- You will also need the following information:
 - Graduating Class Size: 350
 - Class Rank Reporting: None
 - GPA Scale: 4.0
 - GPA Weighting: Weighted

 - Waiving your right to review recommendations means that you will not review your recommendations before they are sent. This will not impact any decisions.
 - Type your full name under signature and enter the date
 - Press the *Save* button
- No need to invite recommenders because we use Naviance, unless you are getting a recommendation from someone other than a teacher at North Andover High School.

STEP 7: COMPLETE THE GUIDANCE RECOMMENDATION FORM IN NAVIANCE

Our counselors spend a great deal of time preparing and writing their recommendations for students. In an effort to help them personalize and accurately reflect upon a student, we ask that two documents be completed by the student and his/her family through **Naviance Student**.

- Click on the **ABOUT ME** tab on the toolbar on top of the page
- Click on **SURVEYS FROM YOUR SCHOOL**
- Click on **Guidance Recommendation Form**

A. Guidance Recommendation Form - This form is only accessible on the student’s Naviance

account. It asks specific questions about his/her interests, likes and dislikes, strengths and weaknesses, and extra-curricular and school based activities, which will help our counselors write more meaningful and accurate recommendations. In addition, completion of this form will assist a student in developing his/her very first resume, which then can be attached to college applications. This is only accessible on the student's account. This is mandatory.

B. Parent Recommendation Form – This is an opportunity for parents to give our counselors more insight into their student. Students are often modest in talking about themselves. Here is a chance for parents to reflect on their student's strengths and weaknesses, likes and dislikes, and their passions. Information collected from this form will only be used by our counselors to write more personalized recommendations for their students. They are not sent on to colleges. This form is only accessible on the parent's Naviance account. This is optional.

STEP 8: COMPLETE A TRANSCRIPT RELEASE AUTHORIZATION FORM

- Once you have determined which colleges you will be applying to, and have entered them into Naviance and your Common Application accounts, you will need to complete a [Transcript Release Authorization Form](#). These forms are also available in the Guidance Office.
- Each form allows you to list up to 5 colleges. If you are applying to more than 5 colleges, please print additional copies of this form.
- Please note that all Common Application schools require an official transcript and a Guidance Counselor Recommendation.
- **You must complete your Guidance Recommendation Form on Naviance BEFORE you turn in your [Transcript Release Authorization Form](#). See Step 7.**
- **You must have both the Guidance Recommendation Form AND the [Transcript Release Authorization Form](#) into the Guidance Office at least one month prior to the application deadline.**
- **PRIOR** to turning in your [Transcript Release Authorization Form](#), you must **go to the [Transcript Payment Portal](#)**, and pay to have your transcript packages (which include transcripts and recommendations) prepared and sent to the colleges listed on the form.
- **Seniors must pay a one-time flat fee of \$25.00, which covers the cost of sending ALL of your transcript packages to the colleges you are applying to. For seniors who receive Free or Reduced Lunch, the one-time flat fee is \$12.00. Click here to access the [Transcript Payment Portal](#).**
- **Counselor Recommendations are written in the order in which the Transcript Release Authorization Forms are received, so plan ahead.**

- Transcript Release Authorization Forms must be completed in full, and will not be accepted if they are not printed neatly and/or are missing information or the processing fee.
- The forms must be submitted directly to a member of the Guidance staff. **DO NOT** leave them in a counselor's mailbox or on the front desk in Guidance.
- Make sure you include the names of the teachers who will be writing recommendations for you in the space provided on the form. NOTE: If a teacher indicates that a student has not had a face to face conversation with them about writing a letter of recommendation, a letter will not be written. The Guidance staff will follow up with that student directly, but it may delay the process.
- If a college does not accept the Common Application, and does not allow electronic filing of transcripts and counselor recommendations, these items will be mailed in an envelope to the college.

STEP 9: OFFICIALLY REQUESTING TEACHER RECOMMENDATIONS IN NAVIANCE

- You must ask a teacher via email or in person before you officially request them in Naviance

- Click **Add Request**
