Message from Jorge

OPS’ Team Summer Newsletter

As we prepare for the August 19th new school year, I want to thank you for your support and efforts for the many accomplishments since the last OPS’ Team Newsletter. We were successful in:

- ◆ Passing a Bond initiative campaign
- ◆ Completed Summer Learning

This newsletter edition features pictures of our team members. There is a page dedicated to the “TPS End of the Year Celebration” at the Gathering Pace. Also, we continue to recognize the accomplishments of our team members on the “*Good Job*” pages.

Here are some of the June and July observance dates we celebrated and commemorated:

- ◆ June 6th marked the 77th anniversary of D-Day, when Allied forces landed in Normandy, France, to help liberate Europe from German forces and turn the course of World War II
- ◆ June was Gay and Lesbian Pride Month
- ◆ African American Music Appreciation Month - It was initiated as Black Music Month by President Jimmy Carter who, on June 7, 1979, decreed that June would be the month of Black music
- ◆ Week of June 14th was National Flag Week
- ◆ June 19th - Juneteenth – also known as Freedom Day, Jubilee Day, Liberation Day, and Emancipation Day – it was a Texas state holiday celebrating the emancipation of those who had been enslaved in the United States and Juneteenth is now a Federal Holiday
- June 20th Father’s Day
- July 4th Independence Day

COVID-19 Delta Variant update:

As we return to in-person teaching and learning five days a week, we will implement the following safety guidance and protocols:

Masking

- Our expectation is that **every** adult and student - regardless of vaccination status - wears a mask at all times indoors and outdoors when in the presence of others. .
- Consistent with federal orders for masking on public conveyances from the [Centers for Disease Control and Prevention](#), masks will be required on all Tulsa Public Schools buses.

Vaccination

- We are following the CDC's recommendation that all children ages 12+ be vaccinated for COVID-19 before returning to school and strongly encourage parents to take advantage of our city's [many resources for free vaccinations](#).

Additional Safety Measures

- **Handwashing and cleaning:** Hand sanitizer and hand-washing stations will be available at all sites; disinfectant cleaner and wipes will be placed in classrooms; and custodians will continue the use of electrostatic sprayers in our buildings.
- **Contact tracing and quarantine:** We will continue the contact tracing and notification process and recommended [quarantine periods](#).

COVID-19 rapid testing: We will offer COVID-19 rapid-testing for all students in grades pre-K-12 and all staff who have opted-in to the program <https://app.beacontesting.com/register/with-code/?code=PHFUMD> or [Click here for more information about our rapid testing program](#).

- **Limited building access:** We will limit non-staff visitor access to our buildings.

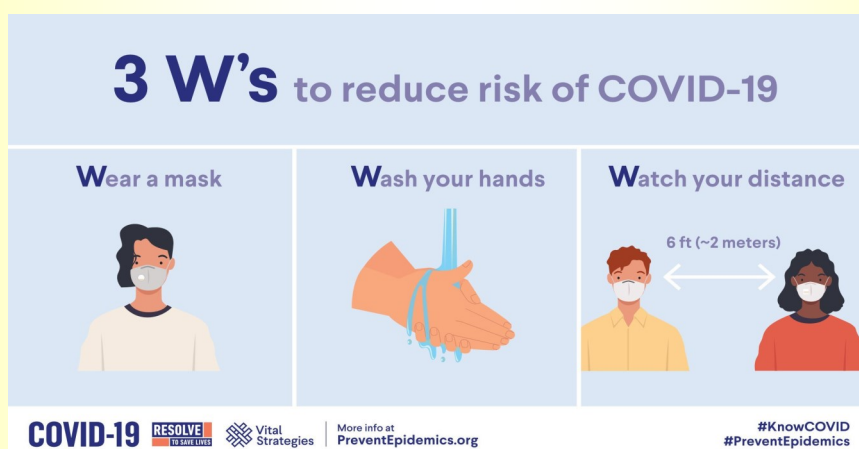

Tulsa Virtual Academy will be our **only** full-time distance learning option for families. In the event of a classroom or school quarantine or closure, students will engage in temporary distance learning.

We are continuing to finalize the full scope of our 2021-2022 safety plans and will be continuing to share information and updates with you through email and text message.

Remember your efforts to making August 19th happen are very much valued.

Thanks,

Jorge Robles

Lewis & Clark
Hallway

This has been a unique summer for the Facilities Team. Nearly all locations had some type of summer school programming during the months of June and July, for the first time ever. Even with the students being in the buildings during the summer, our team was able to accomplish the following:

- The Custodians cleaned, scrubbed, and waxed over 8 million square feet to get the schools ready for the summer programming, and will go back and reclean for the start of school
- Our 2 Floor Techs sanded, sealed, and refinished the high school gym floors, and the gym floors at Thoreau and Wayman Tisdale
- The Paint and Flooring team adjusted their schedules to complete 257 paint, glass, and flooring work order requests, and found ways to restripe 30 parking lots
- The Plumbing team completed 371 water, sewer, and gas line repairs
- Our 4 Labor Shop personnel completed 226 furniture moves across the district
- The HVAC team completed 587 work order requests while our PM Shop crew completed the preventive maintenance on over 3,000 pieces of equipment
- The Carpenters completed 321 work orders to repair the roofs, ceiling tile, doors, restroom partitions, walls, cabinets, and many other miscellaneous tasks including the installation of 400 picnic tables across the district.
- The Café team completed 339 kitchen equipment repairs while keeping up with the needs of the summer feeding programs and summer school needs
- Our 2 Locksmiths responded to 123 lock and key requests.

Campus Police

A key objective of Campus Police: Mentorship

During the period of 1993-1995 Officer Martin Ramos had a two year assignment as the School Safety Officer for Rogers High and Middle School and encountered a Cleveland Middle School student Steven Garcia, Officer Ramos was, and remains, engaged in the Roger's school family support systems with the goal of impacting student's lives for success.

During one of the school interactions between the two, Steven Garcia told Officer Ramos that because of him he wanted to be a police officer. Officer Ramos gave Steven the advice to keep making good choices and be sure to stay out of trouble. Today, Steven Garcia is a newly hired School Safety Officer for Tulsa Public Schools Campus Police Department, and Garcia is a proud team member.

Kudos to Officer Martin Ramos for modeling the department's objective to build positive relationships and being embedded into the school's family. Herein, we celebrate the fruit of his labor with the power of mentorship.

Welcome, School Safety Officer Steven Garcia!

Thank you for helping at the COVID-19 Vaccination Sites.
