

2021-22 Advanced Placement Exam Registration Information

Taking the Advanced Placement exams is an important part of all AP courses. Friendswood High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition. Use this tool, [AP Credit Policy Search](#), to find colleges that offer credit or placement for AP scores.
