

CENTERVILLE "HUSTLE" BASKETBALL CLUB

TRYOUTS/EVALUATIONS: GIRLS SELECT AND REC GRADES: 1 thru 6

<http://www.centervillehustle.org>

The primary mission of the Centerville HUSTLE Basketball Club is to teach solid basic and advanced basketball skills to our players while instilling in them an appreciation of hard work, teamwork and good sportsmanship.

Select teams will play a game schedule of between 20-40 games set appropriately for their age level (i.e., younger grades will play fewer games and older grades will play more). Each team's schedule will include participation the Dayton Metro league and up to two additional tournaments. The Select season will begin with team practice starting mid-October. Teams will practice twice per week throughout the season. The season will conclude for most teams with the Dayton Metro end-of-year tournament in late February. **Players are strongly encouraged to attend as many tryout sessions as possible in order to have the best opportunity of being selected for a select team, but if a player does not make a select team, or does not want to play select, they will be placed on a rec team.**

Rec teams will play 8-10 games and an end of season tournament, with practice once a week. The rec season will begin with practices starting late November and end with an end of season tournament in early March. There is no select team option for first and second graders.

Parents are required to pre-register players online at www.centervillehustle.org

Select Fees: \$250 ~Rec Fees: \$125

Please only register players for one program.

There will be opportunity to register for the Recreational program after Select program tryout results are released.

TRYOUT/EVALUATION SCHEDULE AND LOCATIONS:

GIRLS

All Sessions at Primary Village South

Grade	Date	Day	Time
1 st & 2 nd	Sep 20	Mon	5:30-6:30
