

Dear CHA Parents,

My name is Phoebe Choi, and I am your child's art teacher at CHA. I am so excited to have students back in the art classroom this year! In the art room, we will explore several art forms, including ceramics, drawing in various mediums, painting, glass fusing, and sculpture, while also learning about artists and art movements from different eras as our inspiration. Creative art making is an important way for students to express themselves and their thoughts freely. As your child's art teacher, I aim to provide a stimulating and safe learning environment that fosters confidence and encourages students to trust their own opinions. I look forward to partnering with you and working with your child this year. Please feel free to reach out to me if you have any questions or concerns.

Thank you,

*Phoebe Choi*
